

June 15, 2020

Dear Members and Friends,

We are very excited to share with you that our Sunday morning worship services will resume at The Church of New Hope on Sunday, July 5, 2020!

We are continuing to follow the state of Ohio's mandates pertaining to COVID-19, so please bear with us as we work to help keep everyone safe during this difficult time.

As we resume in-person church services, you will notice we have made some changes. Please review the attached "COVID19 Continuance Plan" and come prepared to follow the protocol we have set forth. We will be making changes and modifying our gathering and service protocol as needed to keep within the recommendations of our state leadership. Please feel free to offer suggestions that will help make our in-person services safe.

Our worship service will still be provided online for parishioners who choose to remain at home. Because we will be recording the Sunday worship services as they are taking place, posting on our website, Facebook, and email will occur later than 9:30am each week. Rather, posting will take place later Sunday afternoon, the service will be uploaded to YouTube and our website, and then shared via Facebook and email. (See web links below.)

We miss everyone and look forward to seeing you all again! We will get through this pandemic together!

God Bless!

Pastor Dan and the Church Council

P.S.

If anyone has any needs during this time: spiritual, medical or physical, please contact Pastor Dan Legg at 330-602-1739. He is always willing and ready to support the needs of our church family.

It is a blessing for us to continue receiving your weekly tithes throughout this shelter-in-place order, and you may continue to do so whether you are attending in-person services or staying home. Checks can be mailed to directly to 3374 Schneider's Crossing Rd NW; Dover, OH 44622.
